

Decorating Ferriby-Christmas windows

For the last couple of years we have been lighting up windows for Christmas- the idea is to have some festive fun without it being hard work. As you can see there are no design rules. To see more examples please see Ferriby Advent Trail facebook page.

If you want to light up a window please contact Jo (Parish Clerk) using the contact us page on the website or emailing clerk@northferribyparishcouncil.gov.uk
