

# Planning Application for Transwaste Ltd to alter hours of operation – AGAIN!

Despite an application for 24 hour operation at the Transwaste site being **REFUSED** by the Planning Committee at ERYC in March 2019, in a large part thanks to all of your objections to the plans, a further application has been submitted.

Variation of Condition 26 (opening hours of the site for operations sales and deliveries) of planning permission 05/06302/STPLF (Construction of a waste transfer facility including new office, stores, waste sorting buildings, hardstanding areas and planted bund) to allow 24 hour operation of waste transfer station (Resubmission of 18/02749/CM).

**REFERENCE NUMBER : 19/02111/CM**
