

How to report noise disturbance from the Amazon construction site.

Please carry out the following 2 actions:-

1. Email the team managing the project using project.hull@tslprojects.com with the details of the disturbance (date, time and type of noise along with your address). Please copy in the Parish Council using clerk@northferribyparishcouncil.gov.uk so that we are aware of the issues being raised.
2. Report the disturbance to ERYC using their online reporting tool on their website. Instructions on how to complete this form are below.
 - a. Go to <https://www.eastriding.gov.uk/environment/pollution/noise/>
 - b. From the option list select 'How do I report a noise issue to the council?'
 - c. 'Is the issue associated with a specific property?' Answer YES
 - d. 'Do you know the exact address, including the postcode or street' Answer YES

Report an issue →

- e. Select
- f. You can either decide to provide your details with the form or remain anonymous. Providing details enables the public protection team to contact you to gather further information if needed.
- g. The postcode for the site is HU14 3FT
- h. Select 'Dsa2 Brickyard Lane, Melton, HU14 3FT' from the drop down list
- i. Select 'Noise Pollution' from the list
- j. Enter the information about the noise disturbance.
