

Christmas Decorations

North Ferriby Village

Christmas will be slightly different for all of us this year. The decorations which were made for Coronation gardens last year will still be on display but will be spread out to enable people to enjoy them while driving or walking around the area.

It would be lovely if we could extend the idea of Christmas bunting to other areas of the village. I am hoping that people will take up the challenge and make Christmas tree bunting to decorate the streets where they live. The knitting groups produced not only knitted Christmas trees but other festive bunting and decorations for Coronation Gardens. A basic knitting pattern will be available on the Parish Council Website but you could crochet, sew or recycle plastic bags to make bunting. It would be a great way of unifying people in the village as well as a cheerful sight for people walking round the village.

If you have any questions, please contact Jo Haslope, the Parish Council, on 01482 631822. She will then pass your details to me, Gill Blamires.
