Summer 2023

Parish Council

INTRODUCING YOUR NEW PARISH COUNCIL

The four-year term of the Parish Council came to an end in May and a new Parish Council was elected by the village. Very few Town and Parish Councils had an election and it is pleasing that there were more people interested in offering their services to the community than there are places.

Newly elected to the Parish Council are Claire Allmendinger and Muhammad Shaikh.

The Parish Council looks forward to working with Claire and Muhammad over the next four years.

The Parish Council is sorry to say goodbye to Harry Richardson and John Mabbett and we thank them both for their invaluable contributions to our community.

Harry has been a huge asset to the council and to the village with his keen passion for the environment and planning matters.

We wish Harry well as he continues his work at Tithe Farm and Holtby Brothers in keeping the land surrounding the village so well and providing such a lovely backdrop to North Ferriby.

John has been a member of North Ferriby PC for many years, including a spell as Chairman, and we have all benefitted enormously from his experience and his forensic attention to detail in many areas of the council's work.

Full details of the 11 members of the Parish Council can be found on the website
www.northferribyparishcouncil.gov.uk

Cllr Belinda Hookem continues as Chairman for another year, and her annual report as presented at the Annual Parish Meeting in April, is circulated with this newsletter.

QUEEN'S GREEN CANOPY

Thank you to the local residents who have installed the Queen's Canopy sign in the Enchanted Wood.

The 60 hazel trees, which were donated by Mires Beck Nursery and planted throughout the wood to create an under-canopy, are growing nicely.

CORONATION OF KING CHARLES III

The Parish Council presented all pupils at the village school with a bookmark to commemorate the recent Coronation

of King Charles. Funding was also obtained from ERYC to contribute to refreshments at the live showing of the event in the Village Hall.

Ferriby Shed members did a great job of decorating Coronation Gardens and where a commemorative bench was unveiled. Thank you to all who contributed their time and efforts to make the occasion so memorable.

— HERITAGE OPEN DAYS —

'Heritage Open Days' is England's largest festival of history and culture, bringing together over 2,000 organisations, 5,000 events and 40,000 volunteers. Every year in September, places across the country throw open their doors to celebrate their heritage, community and history. This year North Ferriby is excited to participate in the 'Heritage Open Days Festival', in partnership with Hull and the East Riding over the weekend of 16th and 17th September by opening our historic village.

We will be opening the Anne Turner Memorial Allotments, All Saints' Church and the Bell tower. There will be an exhibition of the Oakleaf replica Bronze Age boat by the Ferriby Heritage Trust on the Riverside Walkway along with a collection of classic and super cars. Over the weekend there will be Free guided walking talks by local resident Ian Wiles and Hull Tour Guide Paul Schofield.

Further details will be published in the Heritage Open Days' magazine available in the library, at Riding for the Disabled and various venues this summer.

The North Ferriby Village Trail has been rebooted. The trail was originally designed by Miss Kay Laister with Simon Hudson and was first published by the Conservation Society in Autumn 1992. In March 2023, in anticipation of this year's Heritage Open Days it was extended and updated by Simon and republished as physical, digital and a Google Maps edition and available by the digital links below.

Digital copies of the trail are available from the following links or scan the QR codes:

Did you know that we have a listed phone box in North Ferriby?

Nine rare K8 phone boxes in and around Hull have been listed at Grade II by the Department for Culture, Media and Sport (DCMS) on the advice of Historic England.

And one of them can be found on High Street, North Ferriby, with a second near The Institution in Swanland.

See

<https://historicengland.org.uk/whats-new/news/k8-phone-boxes-hull-listed/>
for details.

UPDATING THE NORTH FERRIBY EMERGENCY PLAN – VULNERABLE PERSONS LIST

The Parish Council is updating the Emergency Plan and would like to include those residents who would consider themselves potentially at difficulty in coping, depending on the type of emergency. The list worked well during the pandemic with all residents contacted on a regular basis. Other types of emergency might be flooding or prolonged spells of icy/snowy conditions.

Please contact the Clerk if you are already on the list and confirm that you wish to remain so.

Please also contact the Clerk if you are not on the list but would like to be included in the future.

FERRIBY'S FRENCH FRIENDS – TWINNING NEWS

We recently hosted a group of 34 French friends, old and new, from our twinned village, Le Pellerin near Nantes on the Loire river, for a 4 day visit. They enjoyed a very busy programme; the older children were welcomed to South Hunsley School for half a day and the younger ones to the primary school.

We provided an afternoon tea for 70 in the village hall and we were delightfully entertained by the 20 members of the primary school choir. They sang several songs including a French one which particularly pleased the visitors.

Staying with host families in the village, we all enjoyed a coach trip to the National Mining Museum in Wakefield followed by the Yorkshire Sculpture Park nearby where we picnicked in the magnificent parkland. It was a glorious May day.

In their spare time, hosts took their guests to explore York or Beverley, Hull and The Deep, a walk along the foreshore, across the bridge or to other places.

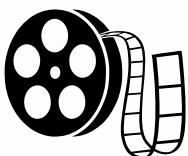

Some tried fish and chips for the first time or went out for a typical pub meal.

A farewell get-together on their final evening took place in the Village Hall with an array of buffet food and dancing to Dr Jive.

Janet Aitken, Chair of the North Ferriby Twinning Association expressed delight that after a gap of 5 years, we were at last able to welcome a new group. Alain Broussard, President of the French Association speaking for the group, said that it was with great pleasure that some were visiting again and others for the first time assuring us that the link between the two villages had been strengthened once more.

If you would like to join the association (no French necessary) for just £5 single or and £10 family per year, you will be informed of all up-coming events and have reduced ticket charges.

Please see the website: www.northferribytwinning.co.uk or email: janet8ken@gmail.com

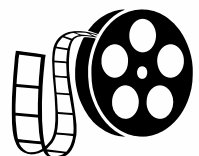

FERRIBY SCREEN

Forthcoming films are:

Friday, 7th July – Fisherman's Friends

Friday, 1st September – Mrs Harris Goes to Paris

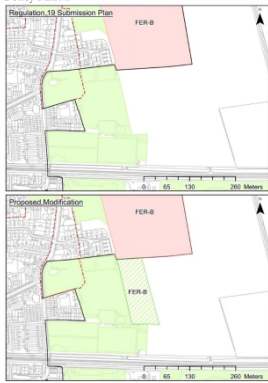

POSITIVE NEWS ON THE NEW EAST RIDING LOCAL PLAN

With the support of North Ferriby Football Club and the East Riding Football Association, North Ferriby Parish Council has successfully argued for the reinstatement of recreational Open Space to the south of any proposed housing development on the land behind Ferriby Primary School known as Ferriby B in the new Local Plan. ERYC Planning officers had initially proposed to remove the recreational open space existing in the present Local Plan. If Ferriby B is developed it is hoped the land provision can be used as an extension of the present playing fields.

On the opposite side of the village in Melton, the Parish Council established that the Long Plantation and the adjacent strip of land, north of the railway line, was not listed on ERYC's asset register and was not shown correctly in the existing 2016 Local Plan nor in the new proposed plan. After challenge, this has been corrected in the proposed Local Plan which has now been submitted to the Planning Inspectorate for examination in public.

The Parish Council has insisted that this oversight in the existing plan and any implications be submitted to ERYC's Audit Committee.

Ref	Section	Part	Change	Reason for Change
PM/17	North Ferriby	Part 1 Inset 38	Show area of allocated open space required following proposed changes to Policy FER-B 	Reinstate the requirement for outdoor sports facilities as part of the development, addressing an error in a calculation within the Playing Pitch Strategy. North Ferriby Parish Council (20573), East Riding County FA (21550). Site area adjusted to reflect true extent of allocation.

Ref	Section	Part	Change	Reason for Change
PM/15	Melton	Part 1 Inset 33	Show reduced area for employment land (MELT-E, Key Employment Area & Melton Development Limit) and include area of allocated open space required following proposed changes to Policy MELT-E 	To reflect the future position with the development of the site that includes a publicly accessible biodiversity corridor. North Ferriby Parish Council (20573)
