

– NORTH FERRIBY EMERGENCY PLAN –

The Parish Council implemented its Emergency Plan in April when the Environment Agency issued flood warnings along the north Humber Bank and naming several roads in the village specifically. All those residents in the areas of concern on our contact list received a call from the PC to check they were aware and to offer advice if required. Thankfully the very high tides passed without incident.

Flooding is just one type of emergency and the recent lack of fresh drinking water in Devon is another example of one that could impact the village with little warning. If you consider you might need help in any sort of emergency, please let the PC have your details so that you are on our contact list. We would rather ring you and find you do not need assistance than not ring and have you worried or distressed. The Clerk's details can be found at the bottom of this page.

DO YOU WORK FROM HOME BUT SOMETIMES NEED A MEETING ROOM OR VIDEO CONFERENCE FACILITIES?

If the answer is yes, the Village Hall trustees would like to hear from you as you as they may be able to provide just what you are looking for.

Email: Nfvillagehall@hotmail.com

DO YOU NEED HELP TO GET ONLINE AND DON'T KNOW WHERE TO START OR DO YOU JUST WANT TO IMPROVE YOUR DIGITAL SKILLS?

The new East Riding Progress Online provides easy access to our local and national directory of digital help, support and training programmes. It identifies resources available to you based on your answers to a set of 8 simple triage questions and shows you where the nearest location is for you to get the help you need using just your post code.

East Riding Progress Online helps you find the right help for your digital needs more easily and if you use your local library, you can do all of this for free.

East Riding Libraries can help you get online and stay online safely whether you have your own device or an internet connection or not.

See

<https://eastriding.progress.online.hoopd.co.uk> if you can get online yourself.

Summer 2024

Parish Council

CONSULTATION ON NEW MELTON INTERCHANGE – HAVE YOUR SAY –

East Riding Council has launched a preliminary consultation about the provision of a transport interchange at Melton, immediately to the south of the Amazon warehouse currently under construction. ERYC, working with partners including Network Rail, National Highways, and Wykeland Group, have developed plans for a new transport interchange at Melton, situated between Brough and Ferriby stations. This consultation will seek to establish if the principle of a new transport interchange is supported at this location. The views of the local and regional population and businesses and the existing users of Brough and Ferriby Station need to be gathered and understood as this will feed into further timetable analysis and business case development. Further consultation will be carried out as plans are progressed.

1. Bus Station	6. 480 Standard Parking Bays
2. Distribution Centre	7. 25 Disabled Parking Bays
3. Taxi Drop Off / Pick up Point	8. 18 2+ Car Sharing Bays
4. 34 EV Charging Bays	9. Secure Cycle Shelters
5. New Train Station	

Please see more information on the survey link

<https://consultation.eastriding.gov.uk/s/ProposedMeltonParkwayInterchange>

If you require the consultation in another format please email invest.eastyorkshire@eastriding.gov.uk or contact the Clerk(details back page) if you do not have access to the internet. Consultation closes on Monday 12th August.

KNOW YOUR NORTH FERRIBY

The Parish Council is putting on an event at the Village Hall on Saturday 5th October, 10.00am - 2.00pm, to help residents to find out what is going on in North Ferriby so that they have the chance to join in or become a volunteer. We are therefore inviting all clubs, societies, groups or venues who put on events of any kind to join us on that date to showcase what people can get involved in, either as attendees or with a view to helping in the organisation in the future.

If you would like to join us, please contact Jo Haslope on clerk@northferribyparishcouncil.gov.uk or on (01482) 631822.

Residents may want to note the date and look out for more details of the event in our September newsletter.

North Ferriby Village News is published by North Ferriby Parish Council

and is available on our website www.northferribyparishcouncil.gov.uk

Deadline for the next (Autumn) newsletter is 20th August 2024

Contact details: Clerk: Jo Haslope | Tel: 01482 631822 | Email: clerk@northferribyparishcouncil.gov.uk

Show planned and delivered by North Ferriby Gardeners' Club

– FORTHCOMING EVENTS at THE VILLAGE HALL –

Hopefully this newsletter arrives in time to remind you of our first venture into professional theatre on Friday 14th June, when the hilarious Julian Finnigan and Dominic Goodwin take to the newly refurbished stage to perform "Holmes and Watson", as you've never seen it before! Follow the links to Holmes and Watson bookings on our website to watch the trailer.

Sunday 16th of June as part of the village's Open Gardens, the Village Hall is open for drinks and refreshments and Ferriby Flower Club, Gardeners Club, U3A Swanland and others, will have exhibition stalls in the hall with information on their wide range of activities. Just pop into the hall for coffee and cake or a glass of wine as a relaxing break on your journey round Ferriby's colourful gardens.

Our film on Friday July 5th is "The Lost King" (Cert 12), the life-affirming true story of the woman who discovered the remains of King Richard III and who took on the country's most eminent historians, forcing them to think again about one of the most controversial kings in England's history.

There's no film in August, while we let the projector have a well-earned rest, but we return in style with Daniel Craig's swansong as Bond in 'No Time to Die' (Cert 12) on Friday September 6th.

And we hope you'll visit the hall for the Village Show on Saturday 13th July, when our kitchen will be serving refreshments during the afternoon.

If you'd like to join our team of volunteers, either as a member of our Management Committee or as a volunteer at events, please get in touch. You can find full details of all our clubs and societies, live events and cinema, on our website at ferribyvillagehall.org.uk.

or call or text 07555 347968

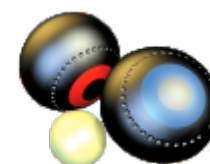

Registered Charity No. 223988

– TREE REMOVAL RIVERSIDE WALKWAY –

The Parish Council will be taking action to remove all the sycamore trees in the copse next to the boat pavement on the Walkway.

It is essential to reduce the risk to ponies and horses of ingesting the seedlings in the adjacent paddock.

A tree that is partially uprooted in the Enchanted Woodland will also be removed.

HAVE YOU THOUGHT ABOUT PLAYING BOWLS?

This may be your last chance to bowl in the village as new members are needed for North Ferriby Bowls Club to continue playing in local leagues and for the weekly rollups between members. Don't worry about not having played before as coaching is available. Think about the fresh air, physical activity and the friendship it brings, and don't forget about a cuppa and biscuit after play. Also needed are willing members to help with the upkeep of the lawn, and maintenance of the buildings. Contact the Clerk and she will forward your details on.

TREE PLANTING

Members of the Parish Council recently walked around the village with a Tree Officer from ERYC. Many suitable sites were identified for planting single trees on verges and the PC will be progressing this in coming months with a view to some planting taking place in the Autumn once sites have been fully appraised. Trees can only be planted where verges are of a reasonable depth and not close to a road junction or street lights and telegraph poles and they cannot be planted underneath existing telephone lines.

MOTORBIKES ON RIVERSIDE WALKWAY

There have been reports of motorcycles on the Riverside Walkway. No mechanically operated vehicles are allowed on the Walkway except for maintenance.

If motorcycles are seen on the Walkway please call the Police on 101.

FINGERPOST RESTORATION

Many thanks go to members of Ferriby Shed for their assistance in replacing the decrepit fingerpost at the Church Road crossroads. The PC paid for the raw materials, but the Shedders provided the labour and installed the new sign. Thank you also to the Shed for its assistance in removing graffiti in the bus stops.
