13. **PUBLIC FORUM** – There was no public speaking.
14. **PARK WARDEN’S REPORT** – There have been no issues with the play equipment. There has however been evidence of drinking found several times over the last month and this has been reported to the Anti-Social Behaviour team.
15. **CLERK’S REPORT**
 - 15.1 It was reported that the clerk has reviewed the CCTV footage on several occasions, all documented in the logbook. All suspicious incidents are being reported to the police via 101 and a list is being compiled.
The cost for professionally removing the graffiti from the skate park is £130, but it was agreed that this would wait until after the summer holidays.
There is no edge treatment specified on the grounds maintenance contract. It was agreed that this should be added to the specification for next year and that the quote of £50 from SJK Garden Services to spray the weeds along the edge of the tennis courts would be accepted.
Finally, grant funding information has been provided to both the Bowls and Cricket clubs
 - 15.2 The financial position of the Playing Fields Committee. No concerns were raised
16. **OTHER MATTERS**
 - 16.1 The quotations for repairing the benches were compared to the cost of buying new ones. It was agreed that the quotation from SJK Garden Services of £250 per bench would be accepted. All voted in favour.
 - 16.2 The quotation from Delta Security for a new CCTV camera overlooking the cricket square was discussed, however it was agreed that further information was required regarding the specification before a decision could be taken. This will be discussed again at the next meeting.
 - 16.3 The water pump at the Bowls Club failed and Cllr Blogg explained that it had been repaired at a cost of £295.99 rather than a new one being purchased for £1400, however there is not sufficient funds at the Bowls Club to pay for this. Cllr Clark proposed that since this item is critical for watering the grass, it will be paid for from the Playing Field funds. This was seconded by Cllr M. Abraham.
Cllr Blogg declared a pecuniary interest as he is Chairman of the Bowls Club
 - 16.4 A general discussion took place to review the options available for managing multiple users on the playing field considering that there is hoped to be growing participation in the youth teams of both football and cricket. It was agreed that no one group should ever be deemed to have exclusive use over the playing field and that the specific requirements of each group should be understood and communicated.

The meeting closed at: 9.20pm

Date of next meeting: 10 September 2019
